## THE ULTRA-LIGHT CARBON

### THE CARBON BESTSELLER

ATHLON SL is unique in its class. It is considered one of the safest, most stable and lightest carbon fibre rollators on the market. The timeless and stylish frame is inspired by the puristic style of Danish Design. Combining design and engineering excellence in a unique way. Whether you are in the city, at the park or in the opera – the ATHLON SL is a reliable mobile companion for every situation.

"Thanks to the Athlon SL, I now look forward to going for a walk with confidence. Shops are no longer a challenge which is fantastic".

Elle from Hannover
