ICON 30 FAF

THE LIGHTWEIGHT WHEELCHAIR

STABLE AND RELIABLE

The ICON 30 FAF is an extremely stable wheelchair that can be used for outdoor activities. The foldable wheelchair with its fixed anterior frame (FAF) offers several adjustment possibilities and can therefore be adjusted to the needs of its user. Depending on the user's activity level, different levels of adjustment can be selected. The front caster angle is adjustable, allowing a wide combination of seat heights and seat angles to support all types of wheelchair users. The wheelchair is constructed from high-strength aluminium tubing with reinforced side frames to ensure a stable connection for the PAWS Power Add-Ons and TRACK WHEEL.
